

Dear Samgin,

I am writing to invite you to our company for the position of systems programmer.

Our team have seen your application on LinkedIn, and we think your candidacy will be perfect for our main goal – development of a new operating system that will be irreplaceable in some cases. Our programmers have been working on similar project for about ten years so we have enoughs experience to implement it. We will provide you more information if you become interested in such a project.

If you have questions, such as salary size, interview date, work schedule and any other, you can always contact us using this e-mail adress.

Yours sincerely,
Ilya Kugaevskij
